

Little Forest Montessori is looking for stagers who would be willing to do their internship at our new project. The internship will have the following responsibilities:

- Prepare and maintain a beautiful, developmentally-appropriate classroom environment
- Support Montessori Guide & Assistants on all duties
- Present Montessori materials and lessons to the children, demonstrating proper Montessori principles such as control of error and isolation of difficulty
- Provide children with opportunities for choice, decision making, problem solving, independence, and responsibility
- Support group activities
- Effectively communicate with children, staff and administration
- Work as a team member with staff and administrators
- Actively observe individual children, analyzing and documenting individual growth and learning, evaluating objectives and helping to prepare professional reports
- Actively participate in self-evaluation and shared inquiry with the master teacher
- Fluent in English is a plus
